

# Condom Box Vending Machine

Model: BVM-2BC

Condom Box Vending Machine is an Automatic Self-Service Vending Machine that dispenses a Condom Box against receipt of Bank Notes and/or Coins. Configured with a Bank Note Validator and Coin Validator this two selection machine vends Durex Condom Boxes with great ease. Illuminated push buttons assists the users in product selection.

Each selection holds approximately 25 condom boxes and total holding capacity is 50 boxes in this two selection Durex Vending Machine.

This Vending Machine can be configured to vend other brands of Condom Boxes as well with either Coin Acceptor or Note Acceptor or both.

## **Features:**

- The Condom Box Vending Machine Model: BVM-2BC is a Two Selection Model with a capacity of 25 Condom Boxes for each selection. Total Box Dispensing Capacity is 50 for Two Selections. The Condom Boxes are stacked vertically in each vend line.
- This Machine is configured with a Bank Note Validator to accept Bank Notes of all Denomination with an acceptance speed of 3 Seconds/Note and a Coin Validator to accept Coins of all Denomination with an acceptance speed of 2 Seconds/Coin.
- Cash Box and Coin Box is provided to hold the Bank Notes and Coins with secure locks
- When the User selects the Condom Box the Machine displays the value of the Condom Box and prompts the user to insert Bank Notes and Coins. Upon receipt of the exact value of the product the machine dispenses the selected Condom Box.
- LCD display with backlight is configured for user interface messages like Product Price, Bank Note denomination accepted, No Stock and Transaction timed out conditions.
- Illuminated Selection Buttons provided in the front panel of the machine for Condom Box Selection. Display Window with white LED lighting for display of actual Condom Box Samples.
- Setting Keypad is provided inside the machine for entering into the setting mode. This Setting mode is password protected.
- The Condom box label and price are settable on site as required.
- Option to enable or disable Bank Note Denomination and Coin Denominations is also provided in the settings menu.
- This machine is offered with an excellent built-in sales audit function to view Reports such as number of Condom boxes sold, total transaction value, denomination wise break-up of Bank Notes collected, denomination wise break-up of Coins collected in the machine and closing stock details.
- High reliability motorised dispenser to dispense the Condom Box.
- The Condom Box Vending Machine is provided with a Self Test Function to test Sub-Assemblies like the Coin Validator, Bank Note Validator and Motor dispenser.
- This machine is very user friendly and easy to use with Tamper proof secure locks.
- Powder coated metal cabinet with vinyl branding sticker.
- Dimension: 480mm(W)X750mm(H)X270mm(D), Weight: 40 Kgs (Approximately)
- Electrical Consumptions: 230V, 50Hz, 25W
